Cyberport Conference & Exhibition Centre

Cyberport Conference & Exhibition Centre

Offering a wide range of venues for all occasions – business or leisure

Cyberport Conference & Exhibition Centre (CEC) offers a wide range of indoor and outdoor venues, all set in spectacular surroundings on the low-rise, low-density site by the shore of the South China Sea. It meets the needs of all occasions – from seminars, training sessions and conferences to promotions, exhibitions and charity events.

With its elegant and spacious environment, inspirational and creative setting, well-equipped facilities, full catering capabilities and an experienced event management team all in one, Cyberport CEC is one-of-a-kind, making it the ideal venue for every organiser who wants to impress its audience and guests, and optimise the results desired.

Cyberport offers a diverse range of exhibition and meeting venues to meet the needs of all occasions.
